

Simply Connected

One provider, everything connected

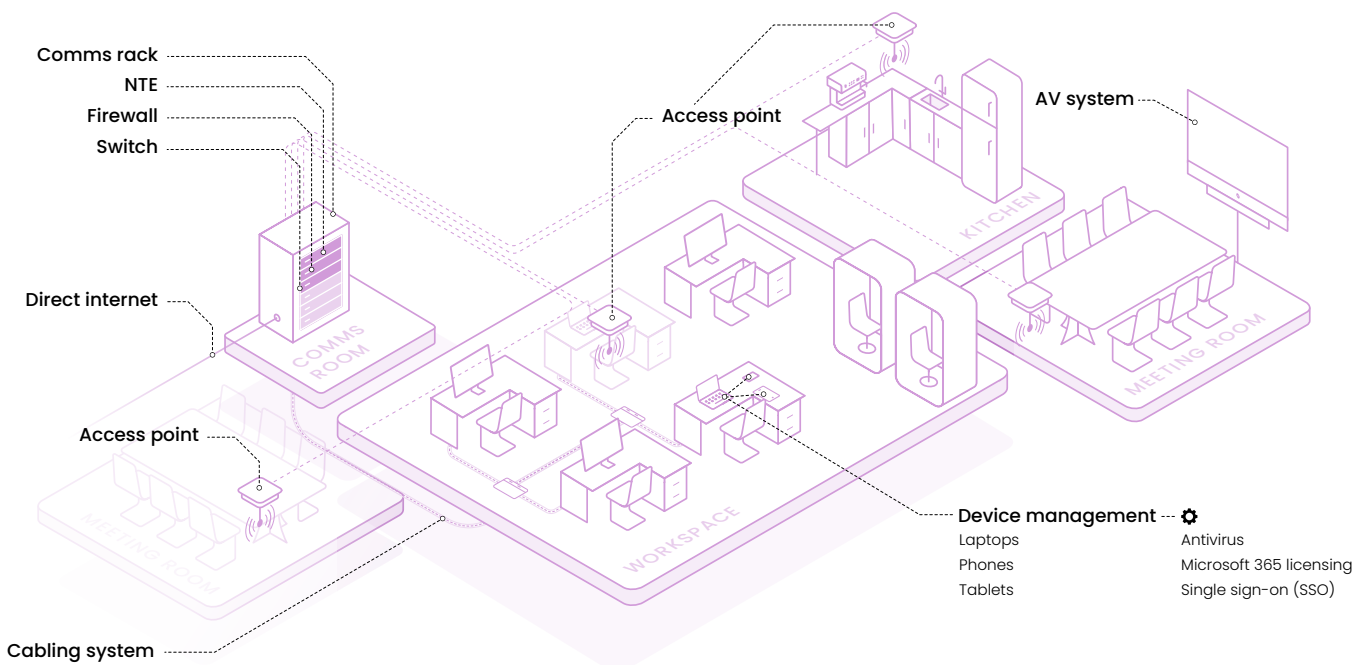

Internet, Wi-Fi, IT and cybersecurity – in one simple package.

One predictable monthly fee per user covers everything your team needs.

As your business grows, your plan scales seamlessly, keeping costs transparent and operations effortless.

Our London-based engineers design, install, and maintain everything in-house, giving you quick, expert support from people who know your setup inside out.

- ✓ Fast, reliable internet and Wi-Fi
- ✓ Managed devices and collaboration tools (Microsoft 365)
- ✓ Phone, video, and meeting-room systems
- ✓ Data protection and cybersecurity

From £65 per user/month
